Many Ways to Give
How do you want to change the world?

Changing the life of a student is a pretty good start.

Here is everything you need to know:

At Marshall School, we are doing important work. We are well managed. Your gift makes a difference. And giving to Marshall will be satisfying to you.

The children at Marshall are succeeding because of the great programs the school is implementing. Tuition is never enough to cover the costs of operating a great independent school like Marshall. If we charged more tuition, the school would lose families who are struggling to give their children the best education possible. If we charged less tuition, the school would lose the faculty who make it a leader in education.

We try to be as transparent as possible when it comes to our budget and finances. The graphs that follow will hopefully help you get a sense of the challenges the school faces and the generosity of the Marshall community. Every dollar you give to Marshall makes a difference in a child’s education and ultimately his or her life path.

As you flip through this book, you will see some of the great things that are happening on top of the hill. The most exciting item is the new 1:1 laptop program. It is not just throwing a whole bunch of computers into the classroom. It is developing an entirely new way of teaching. It is expanding the way children learn and allowing them to explore and learn in ways which were impossible just a few years ago. The students at Marshall are critical thinkers and this laptop program will fuel their curiosity and creativity, allowing them to explore concepts and places beyond the walls of the school.

Along with the vigor and the rigor that the 1:1 program is creating, you can read about our students’ community involvement. Service and giving of oneself to the community has always been a big part of the Marshall experience. We have some unique programs and enthusiastic young adults. These are the leaders of tomorrow and they are growing in their zest to share and give back to the community.

I am overwhelmed by the emotional, spiritual and financial support the school receives from the community. Thank you. You are making a difference.

Call Trisha in the Development Office and she can share with you how your involvement with Marshall can make a positive impact on the people you care about, establish your legacy by passing on your values, help others find future success and create happiness in your life.

With much gratitude,

Jim Jarocki ’76

We gratefully recognize the generosity of the individuals and organizations who have given to Marshall School from July 1, 2011, to June 30, 2012.

**ANNUAL HILLTOPPER FUND**

The Annual Hilltopper Fund is our yearly campaign to raise financial support for a wide range of enhancements and special programs that help prepare Marshall’s students for success in college, in the global world and in life.

The Annual Hilltopper Fund is the cornerstone of philanthropy at Marshall. Continued growth in the Annual Hilltopper Fund is essential to maintaining excellence in every aspect of life at Marshall. Providing the school with a steady stream of income, the Annual Hilltopper Fund allows Marshall to apply resources to areas of need and continue our commitment to financial aid (formerly the Big Circle Fund).

Thank You for Giving.
**ANNUAL HILTOPPER FUND GIVING LEVELS**

It is our pleasure to reintroduce our Annual Hilltopper Fund Giving Levels for gifts received from July 1, 2011, to June 30, 2012.

ENDOWMENT GIFTS
Gifts to endowed funds at Marshall School will last in perpetuity. These are funds designed to remain in a restricted endowment account from which a percentage of its growth will be used to support the purpose for which the fund was established. Gifts to endowed funds begin at $50,000 and can continue to grow with additional gifts once established.

The list below recognizes all donors who gave to the endowment from July 1, 2011, to June 30, 2012.

Mrs. Carol Barnstorf '55
Mr. Troy and Mrs. Susan Berg
Mr. Michael Laskin

Publishing an annual list of donors is a challenging task with potential for both human and computer error. Marshall School makes every effort to list donors accurately. Should an error occur on your listing, please accept our deepest apologies.

Please contact Trisha Skajewski, Director of Development, at 218-727-7266 x112 or email tskajewski@marshallschool.org so we may update our records.
The 2012 Auction in the spring raised $45,000 for Marshall’s 1:1 Technology Initiative. Marshall is experiencing a shift in increased student access to laptops and the role technology plays in advancing high-level intellectual engagement, exploration, and creation. *Shift Happens.*

Thank you for your support.

---

**2005**

Marshall went mobile, adding COW (Computers on Wheels).

**2008**

The PC laptops were retired to the Middle School robotics and replaced with MacBooks.

**2011-12**

Launched the iPad mobile cart pilot project in the Middle School with 25 iPads.

Eight additional wireless access points, WiFi is available campus-wide.

“Marshall Apps,” which utilizes Google Apps for Education, was introduced to provide email and collaboration tools.
For our students, the world is an open iBook.
THE 25 CLUB—
Honoring the Legends with Scholarship Fund

In her 30th year, Julie Ball is currently the most senior member of the Marshall faculty. We celebrate Julie’s commitment and excellence. Daily, she exudes creativity, authenticity and generosity. Ms. Ball is a champion for her students and teaches with passion and creativity. A colleague describes Julie as “wearing her soul on her sleeve.” What you see is what you get:

THE 25 CLUB

We honor Julie Ball and others who served the Hilltopper community with generosity, excellence and longevity with the birth of a new scholarship fund—the 25 Club.

In the spring of 2012, as Chico Anderson and Dave Homstad prepared to retire, alumni rallied to create a scholarship fund to honor those who have served the Hilltopper community for 25 years or more. The 25 Club was born. This prestigious club is made up of, to name a few, Sister Cecelia, Larry Weber, Fred Sippel, Julie Ball and Tom Diener.

The fund will provide scholarships to students in need who embody the Hilltopper Magic and involve themselves fully in the life of the school. With the assistance of an existing fund and generous contributions of alumni, the fund has grown to reach $30,000! Our goal is to endow the fund with $50,000 by January 2013.

We invite you to join the celebration and honor those teachers/staff who influenced you by donating to the 25 Club.

WHAT WE THINK

- Thank you, Ms. Ball, for your commitment!
- She was an architect of the current Middle School model;
  before Julie’s involvement we had a 7-12 grade Upper School
- Respect, compassion, integrity
- Remember the notecards
- More than just dispensing information—teaching lifelong skills
- Remember earning those points!
- Paddle in hand!
- Global citizenship starts at home; thank you for the creativity
- Old school, yet embracing new opportunities
- We can feel the joy!
Continuing the Benedictine tradition of service and reflection, Marshall’s tenth grade students take community service to new levels. Not only are our tenth graders volunteering in the community, they are engaging in Service Learning, which is a deliberate process of evaluation, action and reflection. Tenth grade advisors utilize the Advisory periods to implement the program. Through the Service Learning model, students identify issues in the community, strategize solutions, apply their unique skill sets, work and then reflect on their experience. Through the process of reflection, the volunteer experience becomes personal. Students feel pride in what they have given to others and appreciate the gifts they have also received through the experience.

For instance, last year a student volunteered at Chris Jensen Rehabilitation Center, sitting with elderly residents. This young man was prepared to socialize with “the old people.” He approached the experience with stereotypes and an emphasis on what he could give them. He was greatly surprised to realize while giving to the elders who gathered to share stories of their glory days on the athletic field, he personally benefitted from the hours spent with these individuals.

Service Learning is a comprehensive approach to volunteering; it provides the framework for students to identify issues, contribute their skills toward a solution and reflect on their experience, and grow from it. Our students are benefitting greatly from their experiences. Last year our tenth graders participated in Clean-up Duluth Day, Empty Bowl fundraiser in which they made and donated more than 100 bowls, the Malaria Walk to raise money for malaria nets, and volunteered at places such as Chris Jensen, Animal Allies, Solvay House, Copeland Youth Center, and other locations. Through these experiences, our students grow into global citizens who demonstrate respect, compassion and integrity.
MANY WAYS TO GIVE

There are several options and fund designations for making a gift to Marshall School.

OUTRIGHT GIFTS
Many of the gifts that Marshall School receives each year are unrestricted gifts of cash or marketable securities. Make your gift today using our secure online form or by mailing in the attached envelope.

PLANNED GIFTS
Deferred gifts are a popular way to contribute to Marshall School’s endowment. These gifts may be arranged through trusts, annuities, and other estate planning vehicles.

MATCHING GIFTS
Many corporations match gifts made by employees, retirees, and family members.

GIFT-IN-KIND DONATIONS
Gift-in-Kind donations are a popular way to contribute to Marshall’s annual Auction and Dinner and Golf Outing. These gifts are goods or services that benefit the school when purchased by guests at the auction.
Every gift, big or small, makes a difference

Marshall will once again participate in Minnesota’s largest non-profit donation day. **Give to the Max is November 15, 2012.**

**ANNUAL HILTOPPER FUND**
The Annual Hilltopper Fund is our yearly campaign to raise financial support for a wide range of enhancements and special programs that help prepare Marshall’s students for success in college, in the global world and in life.

The Annual Hilltopper Fund is the cornerstone of philanthropy at Marshall. Continued growth in the Annual Hilltopper Fund is essential to maintaining excellence in every aspect of life at Marshall. Providing the school with a steady stream of income, the Annual Hilltopper Fund allows Marshall to apply resources to areas of need and continue our commitment to financial aid (formerly the Big Circle Fund).

**SPECIAL GIFTS**
Special Gifts include restricted gifts made to Marshall School for a specific purpose that is of particular interest to the donor. Restricted gifts can be earmarked for a particular program, activity or need.

**ENDOWMENT GIFTS/ENDOWED FUNDS**
Gifts to endowed funds at Marshall School will last in perpetuity. These are funds designed to remain in a restricted endowment account from which a percentage of its growth will be used to support the purpose for which the fund was established. Gifts to endowed funds begin at $50,000 and can continue to grow with additional gifts once established.
Current Endowed Funds

Marshall School is grateful for the generosity of our Hilltopper community. Alumni, parents, grandparents, faculty, staff, and friends of the school have established and provided support to these endowed funds to provide need-based tuition grants to Marshall students and their families.

BENEDICTINE COMMUNITY SCHOLARSHIP FUND
As part of Marshall School’s Our Second Century Campaign, Duluth’s Benedictine Community established this need-based scholarship for upper-school students and their families. Members of the Benedictine Community guided the school for many years when it was known as the Duluth Cathedral High School.

GEORGE FEIRO SCHOLARSHIP
George Feiro was responsible for the operation of the school facility from the time the school was built in 1963 until he died suddenly in 1978. John Sorman, Frank Napoli, and a few Benedictine Sisters who taught at the school in the late 1960s and early 1970s initiated the endowment fund.

LAVERN M. FRYBERGER SCHOLARSHIP
An anonymous friend of the school established this scholarship to honor Mrs. Fryberger, who was a member of the founding board and was a constant supporter of the school until her death in 2002.

KATHARINE J. GIBSON FUND
The Katharine J. Gibson Fund was established in 2010 as a bequest. This gift will support the Marshall School endowment, providing lasting support for financial aid, faculty professional development, academics, and capital projects. Katherine Gibson’s gift to the school was made possible by the strong support of a long-time friend of the Hilltoppers.

ALFRED GREGOIRE SCHOLARSHIP
Alfred Gregoire accumulated wealth in his years of working the Great Lakes boats. His inclination to support the school was inspired by the students he came to know through the Cathedral Community Commitment Program. Mr. Gregoire asked that the fund be used to “support scholarships for needy students of good character.”

MARSHALL HILTOPPER ALUMNI SCHOLARSHIP FUND
Contributions from Hilltopper alumni, family, and friends support this fund. Proceeds are used to provide financial aid to current and future Hilltopper students.

SYL LASKIN SCHOLARSHIP FUND
Syl Laskin was a Minnesota Power executive and trustee of the school. Many generous friends of Mr. Laskin established this fund to honor him and his commitment to Marshall School.
FRED C. AND MARY H. LEWIS SCHOLARSHIP
The Lewis family founded this scholarship at the Duluth Superior Area Community Foundation to honor Mr. and Mrs. Lewis. The scholarship provides financial assistance for deserving and needy students at Marshall School.

MARS FAMILY SCHOLARSHIP
Friends of Robert S. Mars, Jr. established this scholarship in appreciation for his years of service on the Marshall School Board of Trustees. The fund is designated for use by families from the Lincoln Park or West Duluth areas of the community.

CAROLINE AND JULIA MARSHALL FUND
Caroline and Julia Marshall, who were influential civic leaders and philanthropists in the community, established this fund to support “whatever the school needs most.” The fund provides resources to support need-based financial aid to students attending Marshall School.

FRANK NAPOLI SCHOLARSHIP FUND
Faculty and staff established this fund as a memorial for Frank Napoli – teacher, coach, and athletic director from 1965 to 1991. It is awarded to a sophomore or junior who displays initiative, reliability, and volunteerism and has demonstrated that he or she is taking full advantage of the opportunities offered at the school. This scholarship is funded with the proceeds from the annual Frank Napoli Spaghetti Dinner.

IRENE OSWALD SCHOLARSHIP FUND
Mr. and Mrs. Oswald had no children of their own but helped a number of their nieces and nephews with tuition at the school. This scholarship was established with a gift from Mrs. Oswald’s estate to help needy students.

MARTHA NOLAN PETERSON SCHOLARSHIP FUND
Martha Nolan Peterson was a friend of Marshall and of education. It was Mrs. Peterson’s desire to give a gift to education by assisting a Marshall student in need of financial aid.

THE WILLIAM S. POLLARD SCHOLARSHIP FUND
This scholarship is intended for a Marshall student with a passion for foreign language. Dr. William S. Pollard (1925-2003) was a gifted neurosurgeon in the Duluth/Superior community for more than 40 years. His belief that “knowledge is the finest gift one could give himself or another” has been the founding principle for this scholarship, established in his memory in 2008.

LUCIA ANGELA PUCCI AND EUGENE DOMINIC PUCCI SCHOLARSHIP FUND
Christine C. Scholtes established this scholarship in honor of her sister, Lucia, and brother-in-law, Eugene, who was an alumnus of Cathedral High School.

DR. MARK RATHKE FAMILY SCHOLARSHIP
Established as a memorial, this scholarship is presented to a graduating senior of Marshall who has demonstrated school or community involvement, leadership qualities, and hard-working behavior. The scholarship can be used at an accredited college or university.

ELVA AND MITCHELL SILL SCHOLARSHIP FUND
As part of Marshall School’s Our Second Century Campaign, Elva and Mitchell Sill established this fund to provide need-based financial assistance to motivated children in dire need that could benefit from a Marshall School education in their preparation for higher education and for a career of their choosing.

U CAN TOO SCHOLARSHIP FUND
Named in recognition of a life-long personal mantra of Duluth entrepreneur Rob Link. Rob and Dianne Link endowed this fund to provide support for students who have financial hardship, academic potential, a strong commitment to and involvement in the community, church and other organizations.
Strategic Plan Update

Over the course of the last year, the school made strides in all areas of its Strategic Plan. Here are a few highlights in each of the five areas.

AN OUTSTANDING EDUCATIONAL PROGRAM
- Completed the “Profile of a Graduate” that details the goals of a Marshall education
- Added new Advanced Placement courses in science, languages, and history
- Began the re-sequencing of our science curriculum in the middle and high school
- Re-sequenced our foreign language program in our 7th and 8th grades

CHARACTER AND COMMUNITY
- Adopted a statement of core values
- Launched new programs in girls hockey, speech, and robotics
- Conducted a comprehensive audit of our athletics programs
- Expanded opportunities for experiential and service learning

GLOBAL CITIZENSHIP
- Adopted a definition of global citizenship
- Began a faculty exchange program with the American School of Bombay and student exchanges in India and Brazil
- Expanded our inbound program by enrolling 23 international students
- Joined the Virtual High School Collaborative, bringing more than 180 elective options to our students

FINANCIAL STEWARDSHIP AND DATA-DRIVEN PLANNING
- Expanded the school by launching a 4th grade
- Increased contributions to our annual fund by 22%
- Increased enrollment by 11% and developed a new online application process
- Developed a more robust five-year financial model for budget planning

APPROPRIATE RESOURCES AND FACILITIES FOR THE FUTURE
- Improved the comfort in most classrooms by installing new occupancy-sensitive heating units and new windows
- Upgraded the ambiance throughout the campus with new signage, paint, ceilings, and lighting in public areas
- Began work on a long-term campus master plan
- Conducted a philanthropic market study to gauge support for a campaign to improve science and athletic facilities
Our faculty will be spending the bulk of their professional time this year preparing to launch our 1:1 technology initiative. In the fall, we took delivery of more than 125 new MacBook Air laptops and 25 additional iPads. These devices will be used primarily in the middle school and represent a transformational infusion of new technology into the school. By providing easy access to the latest in mobile technology, our teachers hope to expand their toolkit of teaching strategies and provide more ways for communication, creativity, and collaboration among students in their classes. Professional time will be set aside each month for teachers to research and collaborate on ways they can use these new tools in their classrooms.

Coordinating this undertaking is a 1:1 Leadership Team made up of faculty and administrators. Besides driving the professional development plan, they will be making some key decisions on the rollout of the full 1:1 plan for 2013-2014. In that year, we will expand the number of school-owned devices in our middle school and expect that upper school students will bring their own device to school. Commonly known as a BYOD program, this approach is being adopted by schools around the United States. More information about the shape and scope of the program will be coming out mid-year.

The official launch of the 1:1 program took place at our annual Marshall Magic Auction in May 2012. It was a fabulous event, raising more than $45,000 for this year’s “soft launch.” The generosity of faculty, parents, alumni, and other friends of the school had a direct impact on improving the instructional programming in the school.

2012-2013 promises to be just as exciting for the future of Marshall as last year.
