### COVID-19 INFORMATION

From March 18-June 3, 2020, Marshall implemented full-time distance learning via Zoom. No final exams were given, and our grading remained the same (A-F grading). For the 2020-2021 school year, our students learned via a modified 4-day in-person schedule, with one hybrid day per week, with a distance option for students to learn from home. We remained in person all but 5 weeks. Letter grades remained our grading system regardless of the type of instruction, with no formal final exams given either semester. For the 2021-2022 school year and beyond, our students will learn in-person 5 days a week and take final exams each semester. No distance learning is available.

## Ranking Policy

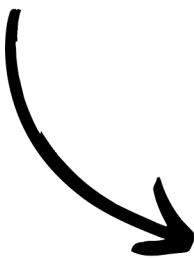

Due to the rigorous nature of our curriculum and the size of the graduating class (40) we do not use class rank. We also do not estimate a decile rank.

## ACADEMIC HONORS & DISTINCTIONS

Academic distinctions are calculated via unweighted GPAs. Honor Roll students must have a minimum GPA of 3.67 and no grade below a B-. Merit Roll students must have a minimum GPA of 3.0 and no grade below a C. To receive an Academic Letter, students must maintain a 3.67 GPA each semester over three consecutive semesters. National Honor Society requires a minimum GPA of 3.5, AND completion of community service. National Art Honor Society requires a cumulative 3.0 GPA and a 3.5 art GPA.

## GRADING POLICY

GPA is cumulative from grade 9 (or entrance date) through the most recently completed semester, computed at the end of each semester. Letter grades are used for all courses. Only core courses are weighted. A grade of D- is the lowest passing grade. Quarter credit class grades are not computed into GPA.
